

For Management Office

JaGaCount is cloud-based, ensuring full transparency in accounts and collection figures between you and the management. Easy to understand charts and graphs on Income/Expenditure are also easily generated wherever you are giving better financial visibility.

For Building Managers

When integrated with JaGaApp, JaGaCount comes with in-app payment, allowing you to send billings to tenants and owners. Reduce workload with auto-generated receipts and even auto-allocation directly reconciled in JaGaCount.
